2. All guests must purchase a package and have a valid admissions receipt. Please check your receipts to be sure you have everything you paid for.
3. No splitting of packs. Meaning – multiple people cannot share or play on one pack from one receipt. NOTE: A paying customer helping another paying customer (each having a receipt) by reaching over and daubing a number is NOT considered splitting a pack.
4. Your receipt must be signed with your first and last name and placed on the table in front of you. If you have a bingo and your receipt is not signed, your bingo will be invalid and cannot be paid.
5. It is the player's responsibility to yell BINGO loud enough to alert the CALLER to STOP the game.
6. Winners must have the last number called to be valid. Once the caller closes the game, the game is over and no other bingo will be acknowledged.
7. Bingo players must be present in the bingo hall at the time of winning to claim the prize, for either an electronic bingo machine or paper card bingo.
8. Two forms of identification are required to claim a prize over \$1,199, one being a state ID. Guests must provide social security number and are responsible for taxes on prizes when applicable.
9. We reserve the right to change the program and/or postpone or cancel any session without notice.
10. NO refunds or exchanges will be made for unplayed paper specials or packages. Management is not responsible if you play on the wrong game sheet or the loss of any game sheet or your personal belongings.
